

Group 22

Milestone 2 Report

John Collison,

Achieved for Milestone 2

- **Mult_no_lsq runs:**
 - no
- **Modules synthesize:**
 - yes

Achieved for Milestone 2

- **How are we debugging:**
 - Unit tests with verified output
 - waveform dumps
 - txt display
- **Group Dynamics:**
 - Mostly decent
 - Communication strategy will be improved
- **Goals for next 4 weeks:**
 - Finish milestone 2 + branch prediction next wednesday
 - RS design optimization
 - Caches and LSQ are the following two weeks
 - Some features cut from original proposal for cache
